Noavaran Ehya Qalb Iranian Co. Ltd.

Founded

Customers served

With an aging society and lifestyle changes, an increasing number of patients suffer from diseases, a situation that calls for new treatment approaches. We hope with our products and services, we will help as many patients as possible to regain control of their health and enjoy greater comfort in their daily lives.

Mission & Vision

MISSION

Create a new standard of care by introducing breakthrough Implantable products that restore a normal life with minimal side effects.

VISION

To play a vital role in every surgical procedure and be the most trusted and indispensable partner to both physicians and patients.

OUR VALUES

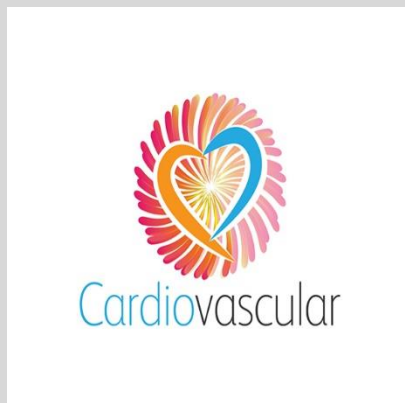

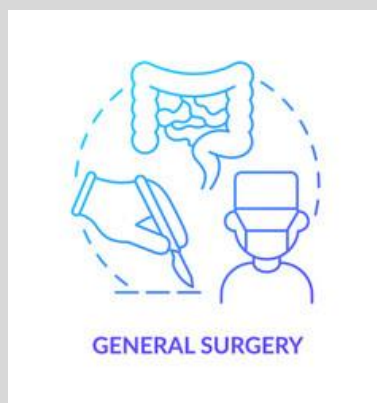

- ✓ Trust – the foundation of every interaction
- ✓ Teamwork – one team, one goal
- ✓ Passion – an international approach to everything we do
- ✓ Innovation – big change to big things

SERVICES

As a member of SMTD Holdings Company, we will do what it takes to offer new treatment choices to put a smile back on the faces of patients all over Iran.
